Our Perfect Client

A study of our clients has shown us that we are able to create the most benefits to those who:

- 1) Value and follow our advice
- 2) Are serious about accumulating and keeping wealth
- 3) Use all of our financial services
- 4) Are enthusiastic about *INVESCO* and tell their friends
- 5) Share our conservative investment philosophy and outlook on life
- 6) Have enough assets to "spread the costs of management" (about \$300,000)

Does this description sound like you? Does it fit anyone you know? If yes, please tell them about us AND tell us about them. A few more good clients will enable us to increase the services we offer.

You'll be doing a good deed for them, for us, and for yourself!
