## Leverage League Winners!

Nam, Myron & Sally

Congratulations to our 2015 Leverage League "bull trophy" winners! If you're a graduate of our Financial Independence courses, you're eligible to participate in

our investment club. We meet every second Monday evening from September to June.

We had our final meeting/awards dinner at the Silver Stallion Restaurant in Des Plaines where we awarded the top three finishers. We compete to see how big you can grow a (fake) \$10,000 investment in nine months. Twenty traders competed. By May, only a few were still in the contention for the coveted first place trophy.

Nam Huynh took 1st place! He turned his portfolio into a \$16,227,587. Nam nabbed a 3rd place trophy last year. This year Nam made his "fortune" trading the S&P 500 and Light Sweet Crude futures indexes.

Myron Gaylord took 2nd place with \$3,968,659. This is the second time Myron has been awarded 2nd place since 1987 when the Leverage League began. Over that time he has also racked up ten 1st place finishes and two 3rd place trophies as well. Myron mostly traded the S&P 500 and the Yen futures contracts.

Sally Gaylord took 3rd place with \$284,631. Sally has had three 1st place, three 2nd place trophies and one other 3rd place trophy since 1987. She also mostly traded the S&P 500 index.

If you're interested in joining us in the upcoming season, just give Keith a call at (847) 824-4078 to be put on our club mailing list.
