Attention All Illinois State, County and City Police and Firemen!

Interested in finding out more details on how your pension works? One of our clients, Dan Ryan, has authored a new book called "Retirement Income for Illinois Fire and Police". Would you like a FREE copy?

This book was written for the men and women in uniform. It provides detailed but simple information on the benefits from each public safety pension system, Social Security and public employee deferred compensation.

Understanding the variations and unique situations is necessary to plan and execute a successful retirement. **This book is a one-stop shop for retirement benefit information for Illinois state and local police officers and**

firefighters. Chicago, suburban and downstate, state police, Cook County, other counties, university and college officers, and small town professionals in the Illinois Municipal Retirement Fund. Even for Forest Preserve and Corrections officers.

Free book offer (\$19 value on Amazon) limited to the first 40 qualified callers. Call Keith at 847 824-4078. Makes a great Christmas gift.
